

Data Privacy Statement

Terms of use

Effective Date: October 15 2025

Welcome to our TCR Repertoire Visualization Web Tool TCRSelect. By using TCRSelect, you agree to the following Terms of Use.

1. Purpose and Permitted Use

TCRSelect is provided free of charge for academic, research, and other **non-commercial purposes**. It is designed for the visualization and analysis of TCR repertoire sequencing data from human subjects. You may use the results generated by TCRSelect for publications, presentations, and other scientific purposes, provided that you properly cite our work (see Section 3).

2. Data Privacy and Security

- The data processed by this Tool is assumed to be **non-identifiable**. Users are responsible for ensuring that any data they upload complies with applicable privacy regulations and does not contain personally identifiable information (PII).
- We do not store or share uploaded data beyond the session in which it is processed.

3. Citation Requirement

If you use TCRSelect in your research, publication, or any derived work, you must cite our work appropriately. Please use the following citation:

TCRSelect, DKFZ, 2025, DOI: <https://doi.org/10.1136/jitc-2025-012216>.

4. Restrictions

- **No commercial use:** You may not use TCRSelect or its results for commercial purposes, including but not limited to patent applications, commercial product development, or paid consulting services.
- **No redistribution:** You may not distribute, modify, or replicate TCRSelect without prior permission.
- **No misuse:** You may not use TCRSelect for unlawful or unethical activities, including attempts to re-identify human subjects.

5. Disclaimer of Liability

- TCRSelect is provided "as is" without any warranties, express or implied. We do not guarantee its accuracy, reliability, or fitness for any specific purpose.
- We are not liable for any loss, damage, or legal claims arising from your use of TCRSelect or its results.

6. Updates and Changes

We may update these Terms of Use at any time. Continued use of TCRSelect after changes are posted constitutes acceptance of the revised Terms.
